YOUR STRUCTURE. OUR STRATEGY. WE’LL HELP YOU CLIMB

9 Mountains brings expert legal support to charities, helping you stay compliant, protected, and strategically sound—without the cost of a full legal team.

YOUR LEGAL FOUNDATIONS MATTER

Legal responsibilities can feel like rough terrain — a minefield of jargon, grey areas, and hidden risks. We provide clear, charity-specific legal support to help you meet obligations, manage risks, and build trust—without the confusion or high costs. Practical, affordable, and jargon-free, we give you the right guidance exactly when you need it, so you can stay focused on your mission.

OUR PRINCIPLES: THE FOUNDATION OF SUCCESS

EXPERTISE THAT MATTERS

The legal needs of charities are unique. That’s why we work with specialists who understand your operating environment and speak your language.

ECONOMIES OF SCALE

Why rely on expensive legal firms or overworked in-house staff? Our shared team model gives you expert-level support for a fraction of the cost.

PAY AS YOU GO MODEL

Whether you need one contract reviewed or a full policy suite, we adapt our services to match your stage of development and pace of growth.

Our team goes beyond traditional services by analysing your existing challenges.

We provide tailored solutions to address them effectively.
